Hello Bridget,

Thank you for speaking with me today. Here is the request I sent requesting a pedestrian crosswalk between Portsmouth and Sir John A. Macdonald Blvd on Bath Road. As I mentioned there is a large number of senior with mobility issues who live in the apartment buildings adjacent to Bath Road. They are taking taxis to cross the road because they cannot safely cross.

Thank you,
Colleen Murphy

Hi Colleen and Ian,

Thank you for your email Colleen.

Ian, Colleen is running in the election and may become the next Portsmouth District Councillor!

Colleen is hearing lots of concerns re crossing Bath Road when she's talking with people at the door. Didn't we recently agree to add a crosswalk or lights between SJA and Portsmouth?

I vaguely remember something.

Cheers,

Bridget

Bridget Doherty (she/her)

Councillor - Portsmouth District

Hi Councillor Doherty and Ms. Murphy,

Yes we did. A pedestrian signal (similar to the type added on SJA at Norman Rogers or at Frontenac SS on Bath Road) is committed for 2024/2025. It is funded in the capital budget and is part of the 31 crossings that Council recently approved in this report: [City of Kingston - City Council Agenda - Meeting 16-2022 - Report COU-22-167](#)

Regards,

Ian
